

# Kool Kids Club Newsletter

Issue: September 2025

Dear Parent/Carer,

Welcome back to club, we hope you all had a lovely summer. It is so lovely to see all the new and old faces, all the children have settled back in so nicely.

We had a fantastic summer in club, with lots of wonderful activities for the children to enjoy, as well as many brilliant trips, including, William Den's, Science and Media Museum and Tropical World.

Now we are back in the swing of things here is a quick reminder about collection at After School Club, FS1 & FS2 to be collected from the Nursery doors, Y1 & Y2 to be collected from Music Hall and Y3, 4, 5 & 6 to be collected the Dance Studio.

Please could we remind Parents/Carers that children do not need to bring their own snack to club, we do provide this and we do not allow children to bring their own snack in due to allergies for some children who attend.

Along the same lines as above please can we ask children to leave their toys at home, we understand they are special to them but we do not want them getting lost or broken so please do leave these at home.

It is time to cast your votes! You may remember from other years, we ask our families to suggest charities that they would like to support, we then take the top few suggestions we receive and run a vote on Facebook, the charity with the most votes then becomes the charity that we support for the academic year, our fund raising is then split between the club and your chosen charity. Please could we ask you send your charity suggestions in to asap, you can send these to, [koolkids@koolkidsoosc.co.uk](mailto:koolkids@koolkidsoosc.co.uk)

Finally, October Half Term is fast approaching, our booking forms are out. We have our annual trip planned to Spillman's farm which is always popular and loved by both the adults and the children, spaces are filling fast especially for the trip day so please don't delay in booking your space. Likewise with the Teacher Training day on the Friday before half term, we are open and taking bookings.

## Notices....

- **Please don't use the disabled car parking spaces unless there is a need to do so.**
- **Please drive carefully through the car park.**
- **Reminder that children should not be wearing smart watches to club or carrying their mobile phones, if they have either of these, they need to be handed to an adult on arrival who will then keep this safe until the end of club.**

Once again, we thank you for your support. Take care!

*Lauren, Laura, Becky & the Kool Kids*
